## INDIVIDUAL SPORTS PHOTOGRAPHY

228-249-9305 / 228-761-6703

All types of sports photography are available in the Moss Point, Pascagoula and Gautier areas. The shots can be action shots of your player or still shots with team mates, family or friends. The number of photos taken of your player is dependent on the time and number of players wishing to be photographed.

The photographer fee is \$45 per hour for photographs in the above areas. Grand Bay, Vancleave, Hurley, Helena and Ocean Springs will be an additional \$15 per hour.

Prints will be priced per the Print Pricing List on this Web Page. To decrease personal costs the more different players we can shoot in the allotted time, the less the photographer's fee will be per person.

The photographer will take many shots which will be reviewed by Alan Hinkel Photography who will select the shots for printing. If the purchaser would like to do the reviewing and selecting this can be done by appointment only and a minimum of a 5 print order will be required.

There are numerous ways to frame a photo or you can buy just the prints
